

MESSAGE FROM PENISTONE GRAMMAR SCHOOL

Penistone Grammar School is getting a new school library in April 2020!

We believe that our students deserve a new library and we need your help.

We are sure that you already know how important reading is for all young people. Evidence suggests that children who read for enjoyment every day not only perform better in exams than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of the world around them. Research has also highlighted how important reading can be for relaxation and wellbeing.

As a school community we cannot wait to open our new library in April 2020. We want the library to be an inspirational safe space for all of our students and stocked with a wide range of stimulating books for all abilities and interests. We are passionate about the importance of reading and believe that our students deserve to have access to a library and you can really help us. We are looking for donations so we can buy brand new, up to date texts to stock our brand new library.

In return for your generosity we have some exciting rewards outlined below.

Thank you so much for supporting our journey in making every Penistone Grammar School student a reader.

Donations of £20

Your name in a book!

As a huge thank you we will ensure that there is a "donated by.." note in a book that you have provided for the library, making you part of our history for years to come.

Donations of £50

Sponsor a reading intervention.

Help a child improve their reading by providing the funding for some interesting and exciting books for a range of reading abilities. The books bought from your donation would be used for one to one: small group intervention for students that finding reading difficult and know that you are really making a difference. Your name would be added to a "donated by.." note in a book, making you a part of our history for years to come.

Donations of £150

VIP library opening and Wall of fame!

We would love to invite you to the library opening ceremony in April 2020 and to add your name to a permanent display in the library. Your name will also be written in the library books donated. We will send you a library update after six months so that you can see the impact that your donation has had on our school community.

Donations of £500

Become a library ambassador.

As a reward for your generosity we would love to invite you to become an ambassador for the new library. As well as taking a place on our library hall of fame and be invited as a VIP to our opening ceremony, you would be invited to meet with key library staff and local book shops to have a vital and strategic role over future decisions for the library. We can't wait to hear your ideas!

HELP PGS STOCK A NEW LIBRARY!

is raising £1,000.00 through a crowdfunding campaign.
