

MESSAGE FROM TRINITY CE PRIMARY ACADEMY

Here at The Trinity CE Primary Academy in Devizes we are launching a crowdfunding appeal to raise donations for our "Fill the Library!" project.

The reality of school funding today means it is difficult to find the funds from our day-to-day budget to cover all the things that we'd like to be able to offer the children. We are determined, however, to make our library a lively, welcoming and well-stocked place that gives pupils positive experiences of books.

Therefore, we are seeking to raise £1000 by crowdfunding to help our dream come true and we need your help to make it happen!

If we hit our target of £1000 it would allow us to buy at least one new book for each child, a fantastic thing to be able to do.

So why crowdfunding? Crowdfunding is a great way to hit a fundraising target through a group of people all coming together to put funds in to the same pot and encouraging others to do the same.

The larger the group or 'crowd' formed, the more money we raise so the key to any crowdfunding appeal is getting the message out there via all of our networks.

Please help us to make this possible by donating as much as you can and please pass on the appeal details on your own social media network to family, friends and your other contacts to help spread our message. Every single donation helps.

To make a donation, please click on the DONATE button here. We could also claim Gift Aid on your donation, boosting each one by 25%.

Thank you for your support! It really will make a difference!
