

MESSAGE FROM DOGMERSFIELD SCHOOL ASSOCIATION

Dogmersfield School Association are excited to be launching a Regular Giving crowdfunding campaign to raise funds to improve the environment and facilities that our school offers the children.

The reality of school funding today means it is difficult to find the money from our day-to-day budget for those inspirational and enrichment projects that can make such a difference to the children.

Our learning environments around the school are extremely important. Classrooms need to reflect our expectations of the children, neat, tidy and well organised. A lot of our classroom furniture is old and on its last legs. The tables are mismatched as are the children's chairs. We want to replace almost all of the furniture in all the classrooms and some pieces around the school where children are taking part in their learning. This is a massive undertaking; it will be our biggest project to date!

So why crowdfunding? Crowdfunding is a great way to bring people together to put funds into the same pot whilst encouraging others to do the same.

The larger the group or 'crowd' formed, the more money we raise so the key to any crowdfunding appeal is getting the message out there via all of our networks.

Please help us to make this possible by donating as much as you can and please pass on the appeal details on your own social media network to family, friends and your other contacts to help spread our message. Every single donation helps.

To set up a regular donation, please click on the DONATE button. You can choose how much to donate each month and, where applicable, we can claim the Gift Aid, boosting each one by 25%!

If you prefer, you can also choose to make a one-off donation, it all adds up.

Thank you for your support. It really will make a difference!

DOG MERSFIELD SCHOOL

is raising funds through a crowdfunding campaign.
